

Phone guide for Brokers to secure a venue

Hi X, I'm just calling about a free community program called Global Money Week that is coming up on 27 March – 2 April, 2017.

As an MFAA accredited Finance Broker, I will be delivering a short 20 minute presentation to families in the community during this week.

The presentation will target basic financial literacy, centred on saving, to give families a better understanding of everyday financial matters such as saving.

There is no mention or selling of products during the session.

After the presentation, free resources like an online game that will make saving fun for kids will be available.

I think this would be of great benefit to the community and was hoping that you would be able to provide the venue for this purpose?

If you could donate the facility space and projector for the presentation as part of your community programs, I will cover the costs of any non-alcoholic refreshments as required.

If you wanted to find out more, please visit the website at globalmoneyweek.mfaa.com.au

Thanks for your time and consideration.
